

CLUB CHAMPIONSHIP 2020

You must sign up on the sign-up sheet on the bulletin board in the pro shop and NOT on Chelsea to play in the Championship. (If you have previously signed up on Chelsea and not realized you need to use the sign-up sheet, please delete your Chelsea event request.)

The Club Championship is a low gross, flighted tournament with the overall OLGA Champion playing from the yellow tees. Silver tee players may request to play from the yellow tees if they want to be considered for overall Champion. However, there will be flight winners from the silver tees. You must play all three (3) rounds in order to participate in the Championship and win or place in your flight.

The Club Championship will be played on the following dates:

It will be played on February 11th (which is also a State Medallion day)

February 17 (which is a Monday and only for play for the Club Champion tournament players)

The final round on February 18th

The winners will be recognized on March 31st, at the Awards Luncheon.

All players signed up to play on February 11th and February 18th, whether competing in the Club Championship or not, are part of the normal play of the day game.

If you wish to just play in the game of the day, sign up on Chelsea only.
