

2022 OLGA CLUB CHAMPIONSHIP

February 8th, 15th, and 22nd

The Club Championship is a low gross flighted tournament. To be the overall OLGA Club Champion you must play from the yellow tees. Silver tee players may request to play from the yellow tees if they want to compete for the overall champion. However, there will be flight winners including all golfers. You must play all 3 rounds in order to participate in the Club Championship and to win or place in your flight. Players will be eligible for game-of-the-day money while playing in the tournament.

Tournament shall be in flights. Players shall be paired according to playing handicap and shall be assigned to flights based on the player's Lakes/Palms playing handicap. The subsequent rounds shall be paired within flights according to standing.

CLUB CHAMPION

- The Club Champion will be the player with the lowest combined gross score at the completion of three rounds.
- The winner may come from any flight. Once the champion has been determined, her name will be "removed" from her flight, and there will be winners named for first, second and third.
- Any ties for the overall Club Champion winner shall be determined by an aggregate three-hole playoff on Holes 16, 17 and 18 of the course played that day immediately following conclusion of the final round. If the players are still tied after the three-hole play-off, a sudden-death play-off will continue beginning on Hole 1 until a winner is declared. If a player is not available for the play-off, she will be deemed to have forfeited her play-off opportunity. The loser(s) of the overall play-off shall be moved back to her original flight and shall be considered the first-place winner in that flight.

FLIGHT WINNERS

- The top three places (lowest combined gross score for three weeks) will be paid in each flight
- First, second and third place winners in each flight shall be awarded prizes. Any ties in the flights will be broken by the USGA recommended method.

Deadline to sign up is: Noon, Friday, February 4th, 2022
