

2023 OLGA CUP

December 5th and 12th

The OLGA Cup is a low net flighted tournament. To be the overall OLGA Cup Champion you must play from the Yellow tees. Silver tee players may request to play from the Yellow tees if they want to compete for the overall OLGA Cup champion. However, there will be flight winners in both Yellow Flight(s) and Silver Flight(s). You must play both rounds in order to participate in the OLGA Cup and to win or place in your flight. Players will be eligible for game-of-the-day money while playing in the tournament.

Tournament shall be in Yellow and Silver flight(s). Players shall be paired according to playing handicap and shall be assigned to flights based on the player's Lakes/Palms playing handicap. Handicaps shall be updated as necessary for subsequent rounds, but players shall remain in the flight assigned on the first day of the tournament. The subsequent rounds shall be paired within flights according to standing.

OLGA CUP CHAMPION

- The OLGA Cup Champion will be the player with the lowest combined net score at the completion of the two rounds.
- The winner may come from any Yellow flight. Once the champion has been determined, her name will be "removed" from her flight, and there will be winners named for first, second and third.
- Any ties for the overall OLGA Cup Champion winner shall be determined by an aggregate three-hole playoff on Holes 16, 17 and 18 of the course played that day immediately following conclusion of the final round. If the players are still tied after the three-hole play-off, a sudden-death play-off will continue beginning on Hole 1 until a winner is declared. If a player is not available for the play-off, she will be deemed to have forfeited her play-off opportunity. The loser(s) of the overall play-off shall be moved back to her original flight and shall be considered the first-place winner in that flight.

FLIGHT WINNERS

- The top three places (lowest combined net score for two weeks) will be paid in each flight
- First, second and third place winners in each flight shall be awarded prizes. Any ties in the flights will be broken by the USGA recommended method.
