

Our OLGA charity event for 2023 secured \$4461.00 for Sr. Mary's Foodbank. These monies will provide 22,305 meals for food insecure adults and children. Since 1967, St Mary's Foodbank has reached out to serve our local community as well as 9 counties within Arizona to provide much needed food.

Besides providing on site meals they also fill 1,500 food packs weekly to be sent home with needy students.

Door Dash has teamed up with St. Mary's Foodbank to donate drivers to deliver food boxes to seniors and shut ins.

Deliveries are also made to tribal communities with food boxes for people who are food insecure.

Emergency boxes are filled daily with food for people and families who have suffered a devastating circumstance; house fire, etc.

Thank you for donating to this great cause. We had 72 players on our list to play. Due to bad weather only 7 brave people ended up playing that morning!
