Golf Genius. Amanda has been delving into the many features of Golf Genius and shared many ideas with the Board. During the summer she will do test runs for several options:

Birdies: As of now Nancy Cohen does the weekly summaries and they will do comparisons.

Ringers: Another test run to see if Golf Genius decreases net to par.

Amanda will start testing signups with a few volunteers through emails and looking for positive feedback. If they are unable to play, just hit “add/cancel” on the phone. Members will still be able to sign up with Chelsea. Golf Genius offers the choice of A.M. or P.M. leagues. Amanda is planning to have this new signup system operational by this fall.

Connie Hughes moved and Linda Anderson seconded to adjourn. Motion carried and meeting was adjourned at 4:10 pm.
