Old Business

Barbara Kassel and Andy Harper took time to explain the new makeup of the Traveling Leagues – the Links and the Cactus. The Desert League is comprised of about 10-12 players who carry low handicaps while the Links League players have higher handicaps. Their schedules and visiting clubs are different. It usually costs \$75 a round. Because there were so many questions, it was decided to ask Cindy Reinertsen and Carolyn Marchuck to come to the March meeting to give us more information.

The meeting was adjourned at 4:14 pm.
