

Welcome to the 2026 OLGA

Member/Guest Golf Tournament

We hope that you have a fun day on the course and an even better time at the after party!

Out of your foursome, please have 1 person keep score via Golf Genius and 2 people keep the paper scorecards. One person needs to sign each paper scorecard and turn it in immediately following your round **at Poolside**, where lunch and drinks will be served.

Today's format

2-person Scramble: All players tee off on each hole, and the team selects the best shot to play from. All players then hit their next shot from that chosen spot, and this process continues until the ball is holed. 3 drives are required per person (**Sonoran Course**)

2-person Better Ball Net: Partners play their own balls, and record both gross scores. On a separate line, record one lowest net score for each hole (**Lakes Course**)
