As all the Treasurers reports were reviewed on line before the meeting, there was no additional information. It was moved by Connie and seconded by Andy to approve the OLGA Ending Balances and Bank Reconciliation. It was passed.

## **Vice President Andy Harper**

She didn't have the final tally for the Member/Guest tournament and will present more information at the April meeting.

## **Tournament Amanda McLoone**

Amanda compared the Payout for tournaments at the current policy up to 3<sup>rd</sup> Place per flight vs. paying out to 4<sup>th</sup> place. At this time the extra payout would not fit the current budget.

Golf Genius is helping speed up both pairings and flights.

## **Pairings Barbara Kassel**

No report.

## Rules Karen Bustillo

Karen explained the new rule and said it was now posted on the OLGA website.

## AGA Julie Clausen

Julie received information from the Golf Nations Website requesting our AGA agent to designate our Club Administrator

1. Those selected will have access to billing details and will also receive monthly notifications. It was decided to select the President and Treasurer.
2. Those selected will receive an email notification each time someone joins/renews through the online program. For this program, The Treasurer and Handicap Chair were selected.

## New Business

We all received a copy of the Standing Rules which Amanda had listed some changes which she felt would clarify some wording that might be too vague. The Board discussed many of the changes and it was decided to take a final vote on the changes at the April meeting.

Regarding eligibility for the Club Championship games, the new wording would state that new members will have to have played at least three league games from the first of the year.

On the budget, Eagles would be paid out at \$50.

The meeting was adjourned at 4:10 pm
